# PREMIUM LAWN FOOD 28-0-12

## THE ANDERSONS LAWN CARE PROGRAM

**1** EARLY SPRING  
**PREMIUM CRABGRASS PREVENTER PLUS LAWN FOOD 26-0-6**

**2** SPRING  
**PREMIUM WEED & FEED 24-0-16**

**3** SUMMER  
**PREMIUM LAWN FOOD 28-0-12**

**4** FALL  
**PREMIUM FALL LAWN FOOD 24-0-14**

The Andersons Premium Lawn Food 28-0-12 is Application 3 of The Andersons Lawn Program. Lawn Food 28-0-12 contains nitrogen, potash, and iron. Nitrogen promotes growth of the grass and produces deep green color. The Andersons Premium Lawn Food 28-0-12 includes two types of nitrogen, quick- and slow-release for an initial response and then steady feeding. Iron will aid in the development of chlorophyll. Using Lawn Food 28-0-12 will help your lawn stand up to the increased temperatures and drought of the summer months.

## DIRECTIONS FOR USE

### SPREAD PRODUCT

Apply product to dry foliage. Fill and adjust your spreader to the recommended rate using the spreader settings table to the right. For even application, be sure to walk at a steady rate, slightly overlapping each pass.

### CLEAN-UP

Sweep any product on driveways and sidewalks back onto your lawn. Return any unused material back into the original package. This product may stain. **Do not wash with water.**

### WATER IN

To help move the particles into soil more quickly, water with a minimum of 0.2 inches. For best results, water the lawn every 12 hours for the next 48 hours. Skip watering if rain occurs.

### STORAGE

Store left over product in a clean, dry place. Reseal opened bag by folding top down and securing.

### PRO TIPS

- Mow before applying
- Do not apply prior to heavy rainfall to avoid particles getting washed away
- Do not collect clippings for a least one mowing to avoid particle pick-up
- Can be applied every 6-8 weeks during the growing season

### SPREADER SETTINGS

This bag is designed to deliver 3.6 lbs. of product per 1,000 sq. ft., for a total coverage of 5,000 sq. ft. Settings are based on an average walking speed of 3 mph. Reduce setting for a lower speed; raise setting for higher speed.

SPREADER MODEL	3.6 lbs/1,000 sq. ft.

**FOOZ091**

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>.

**NOTE:** Do not apply in north Florida in winter.

**Nitrogen Notice:** For those states with nitrogen application restrictions, including but not limited to, FL, MD, NH, NJ, PA and VA, do not apply more than 0.7 lbs of nitrogen per 1,000 sq.ft.

**NOTE:** This product contains micronutrient iron for extra greening and to help prevent iron deficiency. Iron may stain concrete and other surfaces. Misapplied product to these surfaces should be removed promptly by sweeping or blowing. **DO NOT WASH WITH WATER.**

Apply only to actively growing turf. Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn and sweep any product that lands on the driveway, sidewalk or street, back onto your lawn. Check with your local Cooperative Extension Agency to obtain specific information on local turf best management practices. Check with your county or city government to determine if there are local regulations for fertilizer use.
