PREMIUM GRASS SEED

DIRECTIONS FOR USE

NEW LAWN OR COMPLETE RENOVATION

1. Rototill the soil to a depth of 4-6 inches. Soil should be loose and clod free. If possible, apply soil amendment at this time.
2. Level the area to eliminate high or low spots then roll to firm the soil.
3. Apply starter fertilizer per directions.
4. Sow the grass seed at the recommended rate (see analysis tag).
5. Cover the seed with peatmoss or straw and rollover seed to get good seed to soil contact.
6. Moisten the soil to a depth of around 1 inch. Keep the root zone moist by watering 2 to 3 times per day (rainfall depending). Avoid creating puddles. Keep soil moist until the new lawn has fully germinated, 3 to 4 weeks.
7. New grass seedlings will begin to emerge in 7 to 10 days after seeding. Do not mow until your lawn is 3" to 4" tall - usually about 3 weeks from the time of planting.
8. After the first mowing, fertilize again. Do not apply weed and feed products for at least six weeks.

OVERSEEDING

Overseeding can be done annually to help keep your lawn healthy and thick.

1. Apply starter fertilizer if necessary.
2. Apply seed evenly over the entire lawn at the recommended rate.
3. Keep the seed and soil moist until the new seed germinates.

PATCH REPAIR

1. Rake the spot to loosen the soil and break apart thatch. Remove debris.
2. Apply starter fertilizer and the seed to the spot.
3. Cover with peat moss, straw or compost.
4. Keep the area moist until the seed has germinated, approximately 2 to 3 weeks.

IMPORTANT: READ BEFORE USE:

Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:

WARRANTY DISCLAIMER and LIMITATION of LIABILITY:

Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions.
